Hi,

I would like to take this opportunity to introduce Q2A Media. Q2A Media is an education content development company focused on creating formal and informal educational products for children. The company works with clients to create products that work – products that help kids learn and teachers teach. Q2A Media's ability to match innovative concepts with efficient execution has helped the company forge strong and successful relationships with major publishing organizations in the US and Europe. The company has presence in US, UK and India. Using a well-established global delivery methodology, the company creates world-class products within tight timelines and in the most cost effective model. Over the years, Q2A Media has built a reputation of providing high quality services and products to its clients and is committed to maintaining the highest quality benchmark within the industry.

Q2A Media's clients include Schools and International Educational Publishers such as: Cengage Learning, Disney Learning, Pearson, Reader's Digest, Oxford University Press, Cambridge University Press, Times Inc, Houghton Mifflin Harcourt and Scholastic, among others

From the start Q2A Media had maintained the highest standards for hiring and boasts more than 50% of its members as former graduates of BFA Colleges.
