Subject: CV - Calling all photographers! **Type:** Embedded HTML/Text

Calling all photographers!

We are in the process of setting up Visual Communication Company “a photography and design” to run alongside an already successful group of companies (Facilities Management, Marketing Consultancy and Data management & IT), and a looking for reliable photographers of all areas of expertise.

We will be specializing in Digital Media Planning, Studio Work, Portraits & Events including Weddings, Schools, Corporate work, etc...

We are always looking for ways to get ahead in the fierce market and are looking to work with an individual who can give us some 'out of the box thinking', a individual with marketing experience that will help to gain clients for our photography sassiness.

Required Skills

- Organized
- Able to learn quickly
- Able to multi-task
- Detail oriented
- Accurate
- Experience with Excel, Word and PowerPoint

Required Qualifications/Experience

- College graduate or equivalent
- Knowledge of photography and digital photography
- Some photo-editing experience required.
- Expert Photoshop and colour-correction skills
- Creating media planning documents (flowcharts, budget sheets, etc.)
- Internship in an agency, interactive field or media company a plus

Desired Characteristics

- Flexible
- Personable
- Able to take initiative
- Resourceful
- Able to convey ideas and ask questions clearly

Positions are available immediately. If you think you have what it takes or know someone else that does, please contact us via email introducing yourself and giving us an overview of your experience and explain how you meet our needs.

We look forward to hearing from you.

Regards,
